November CRAFT SHOW

OUR MISSION

The mission of the Saline Craft Show is to provide a quality, juried craft show that will benefit both our customers and the school community. Youth groups involved with the craft show have the opportunity to practice life skills and leadership as well as raise money for their activities. The crafts embody skills and reflect respect for both the materials and the processes used. The handcrafted products feature original designs that will enhance the beauty and whimsy of any buyer's environment.

THEN AND NOW...

The first Saline Craft Show was held on November 14, 1987 with 66 craft booths and about 900 shoppers. The concession stand consisted of a crock pot of soup and some hot dogs. By 1998, the show had grown to 210 craft booths and about 7,500 shoppers. Along the way the funds raised by the show helped support the Saline Future Homemakers of America Chapter, which at that time was one of the largest in the country. In 1999, the Saline Community Education Department was brought in to assist with the growing organizational needs of the show. In 2007, the show had 250 craft booths and almost 10,000 shoppers. The funds raised by the show today support numerous Saline High School teams and clubs as well as various community based youth programs.

SUNSHINE ARTIST MAGAZINE RANKING SINCE 2019

Sunshine Artist magazine releases its annual 200 Best, ranking the nation's most profitable art and craft festivals based on artists' reported sales.

Artists and craftspeople are able to cast their votes from February through April for the 200 Best shows list. They could list up to 10 shows they attended where they grossed the highest sales.

Saline Craft Show despite the Covid protocols has maintained its status since 2019.

JURY PROCESS

The Saline Craft Show is a juried craft show to ensure show visitors and shoppers of receiving the highest quality, one-of-a-kind and limited edition work. The jurying process is conducted by a panel of committee members. Each crafter is required to submit photos, which are anonymously viewed by the jury. Entries are judged on the quality of workmanship, creativity and originality. This process assures the standard of excellence that the Saline Craft Show brings to our area year after year.

A LITTLE PLANNING

- **Accepted forms of payment vary from artist to artist.** They all accept cash, and many accept checks or credit cards.
- If you see something you like, but cannot make the purchase right now, remember to **get a business card** or the crafter information, for purchasing at a later date.
- **If you come early before the show opens be prepared to wait in line.** Some of the lines are outdoors, so dress appropriately.
- There is limited parking on the site, however, a convenient **free shuttle service** is available from surrounding school buildings and the Forvia Plant located at 7700 E. Michigan Ave., across from McDonald's. See map for details.

WE ARE ONLINE!

www.salineschools.org/saline-craft-shows/

Visit our website regularly as it is constantly changing.

The gallery of photographs will give you a preview of the crafters at our shows. You can also review the artists' biographies, where they reveal their crafting history, and the reasons they are in the craft world. Craft Show programs can be downloaded from our site prior to the show. Other detailed information about upcoming craft shows is also available on our website.

SalineCraftShows

On our Facebook page, we feature crafters and their product lines to give you a preview of the unique creations they will be bringing to Saline. Additionally, we visit over 40 shows a year and are in contact with many crafters from these shows.

Follow us on Facebook:

- **Receive updates of our various visits to craft shows**
- **A chance to win VIP Passes to the Saline Craft Show!** Contests are held each Wednesday starting a month out from the show.
